COMMITTEE ACTION REQUESTED

4B. Changes to Freeway Management System Projects in FY2018 and FY2019

In April 2014, the MAG Regional Council approved a list of Freeway Management System (FMS) projects, in FY2015 through FY2019, to be funded with CMAQ funds as identified for the FMS project in the 2003 Regional Transportation Plan. A number of changes to these FMS projects were necessary to accommodate changes in project limits and scope as shown in Attachment Two. ADOT would like these changes approved so that the five-year plan could accurately reflect these projects.

4B. For information, discussion and possible action to recommend the requested changes to the FMS projects as shown on Attachment Two.
