It's Here.

ShareTheRide.com

Introducing Valley Metro's upgraded sharetheride.com

Here to make the commute selection as efficient and enjoyable as possible.

Find optimal alternative modes of transportation, participate in challenges, and win rewards in the process!

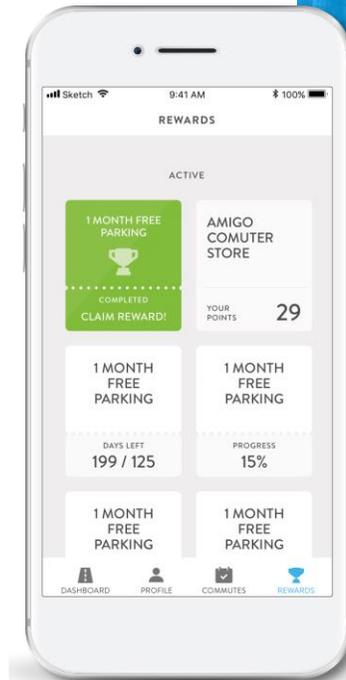

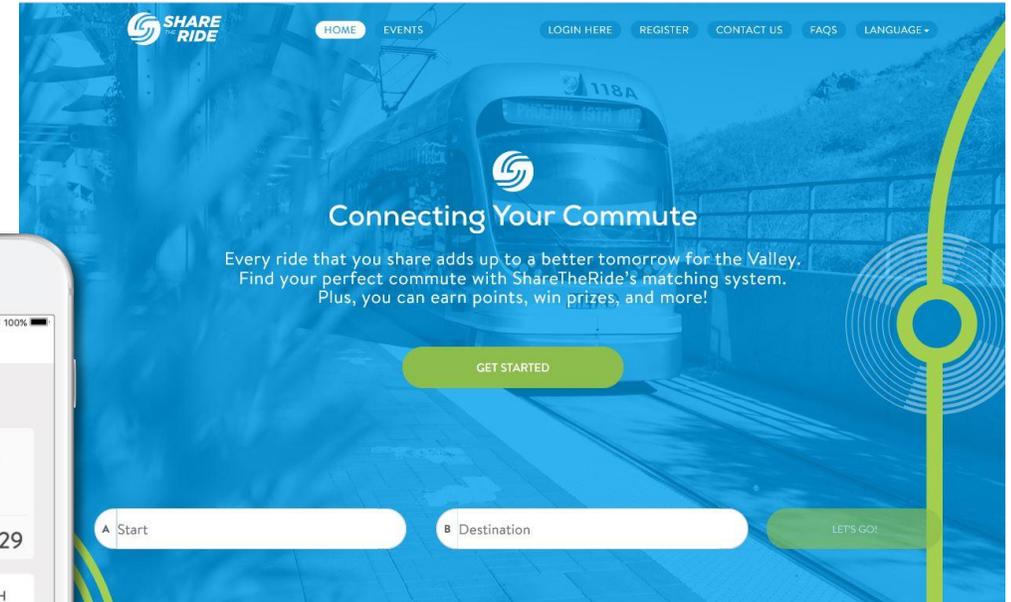

How It Works

Step One: Create your account

Step Two: Plan your commute

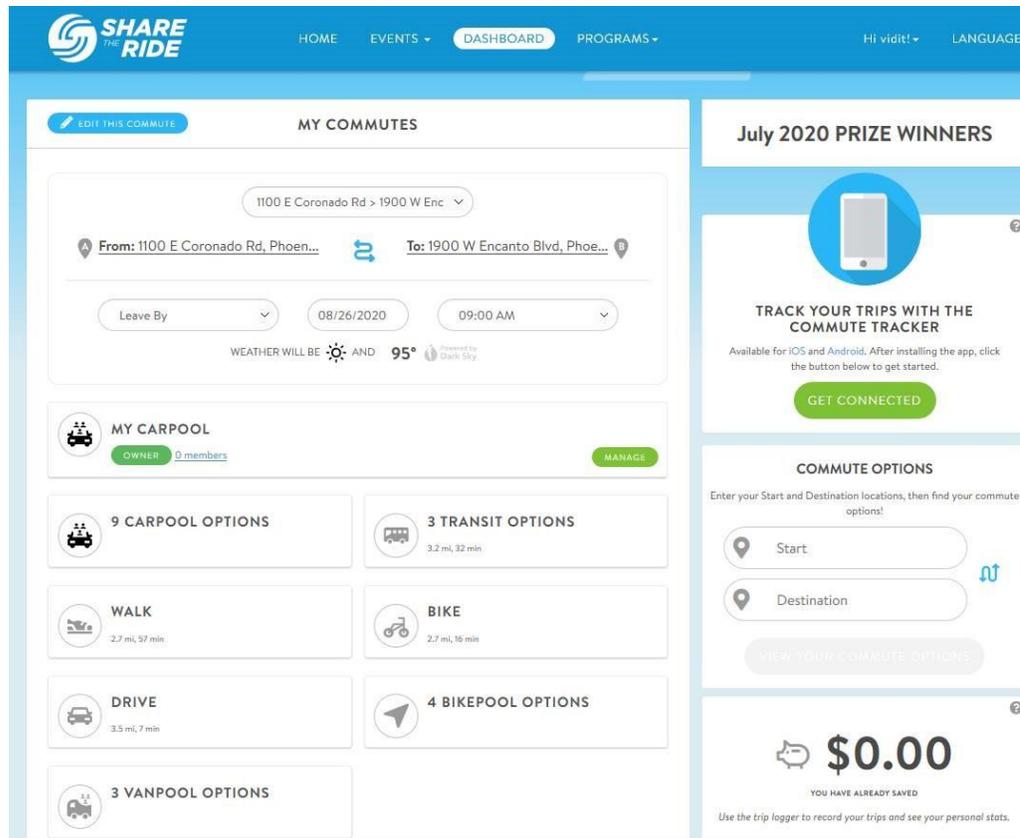

Step Three: Download the Commute Tracker app by RideAmigos and follow the instructions on the website Dashboard to connect your account

Step Four: Log your trips and earn rewards

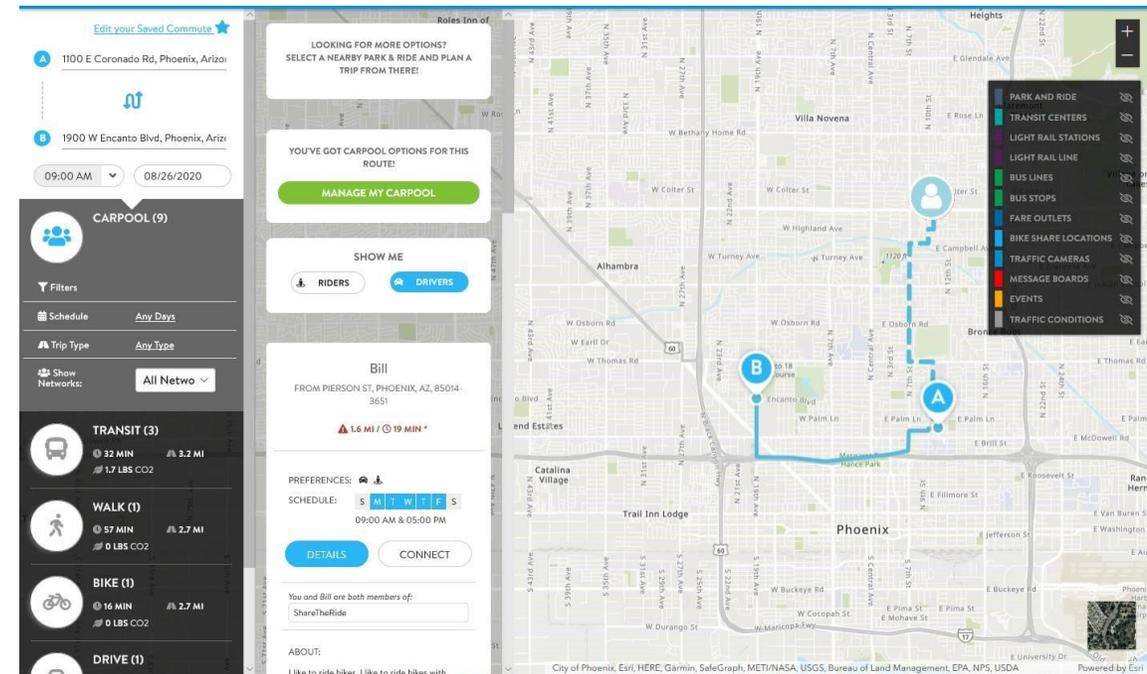

Commute with a View

Dashboard and map

The dashboard features a blue header with navigation links: HOME, EVENTS, DASHBOARD, PROGRAMS, HI visit!, and LANGUAGE. The main content area is titled "MY COMMUTES" and includes an "EDIT THIS COMMUTE" button. The current commute is defined by the route "1100 E Coronado Rd > 1900 W Enc...". It shows departure details: "Leave By" 08/26/2020 at 09:00 AM, with weather forecast "95°".

Below the commute details are sections for "MY CARPOOL" (OWNER, 0 members), "9 CARPOOL OPTIONS", "3 TRANSIT OPTIONS" (3.2 mi, 32 min), "WALK" (2.7 mi, 57 min), "BIKE" (2.7 mi, 16 min), "DRIVE" (3.5 mi, 7 min), and "4 BIKEPOOL OPTIONS". At the bottom, it shows "3 VANPOOL OPTIONS" and a savings summary: "\$0.00 YOU HAVE ALREADY SAVED".

The map interface shows a route between two points: "A 1100 E Coronado Rd, Phoenix, Arizona" and "B 1900 W Encanto Blvd, Phoenix, Arizona". It displays a "CARPOOL (9)" filter and a list of transit options: TRANSIT (3), WALK (1), BIKE (1), and DRIVE (1). A "Bill" section shows a cost of "1.6 MI / 19 MIN" and a schedule of "09:00 AM & 05:00 PM".

The map includes a legend for various transit features: PARK AND RIDE, TRANSIT CENTERS, LIGHT RAIL STATIONS, LIGHT RAIL LINE, BUS LINES, BUS STOPS, FARE OUTLETS, BIKE SHARE LOCATIONS, TRAFFIC CAMERAS, MESSAGE BOARDS, EVENTS, and TRAFFIC CONDITIONS. A sidebar on the right lists "ABOUT:" with the text "I like to ride bikes. I like to ride bikes with".

Just a few more of our favorite things...

- **Efficient matching for all modes**
- **Traffic conditions and detailed map overlays**
- **Detailed transit routes/stops/information**
- **Streamlined mobile app**
- **Rewards and prizes/badges for gamification**
- **10K migrated/400 custom networks (subsites)**
- **Pollution and savings featured**
- **Easy forward customization**
- **Automated process (ERH, emails, vanpools)**
- **Ongoing development and support**

Thank You For Your Support

- **Maricopa Association of Governments**
- **Maricopa County Air Quality Department**
- **Arizona Department of Environmental Quality**

Thank You
