Mr. Gregory Byres, P.E.
Multimodal Planning Division Director,
Arizona Department of Transportation
206 South 17th Avenue, MD 310B
Phoenix, Arizona 85007

Dear Mr. Byres:

The Maricopa Association of Governments' (MAG) Fiscal Year (FY) 2018-2022 Transportation Improvement Program (TIP) was approved by the MAG Regional Council on June 28, 2017 and requires an administrative change. This administrative modification serves as a necessary project advancement modification and detailed TIP listings for obligation authority distributions from Federal Highway Administration and related work phase changes. This action was approved by the MAG Regional Council Executive Committee as part of agenda item 4C on August 14, 2017. As the Governor's designee, the Arizona Department of Transportation (ADOT), Multimodal Planning Division is responsible for approval of TIPs and TIP amendments in the State of Arizona. MAG requests your approval of the administrative amendment and modification of the TIP, which is necessary to ensure the continuation of the involved projects. In addition to approval of the MAG TIP amendment, we also request that Arizona Department of Transportation process the necessary amendment to the relevant STIP as soon as possible to meet the current federal fiscal year requirements.

The administrative modification to the FY 2018-2022 MAG TIP and amendment to the Statewide Transportation Improvement Program (STIP) has been included in the attached table. This will be the second administrative modification to the FY 2018-2022 TIP. Administrative modifications as outlined in the MAG Programming Guidelines do not require Regional Council action nor do they require an air quality conformity determination.

Your support and the assistance of your staff in ensuring the timely progression of these projects are appreciated. We look forward to a continuing close relationship with the State in meeting the transportation needs of our region. Please contact Teri Kennedy or me if you need any clarification regarding these amendments.

Sincerely,

Dennis Smith
Executive Director
