

# Arterial Life Cycle Program Project Change Request

## Streets Committee – February 14, 2017

John Bullen  
Transportation Planner III

# ALCP Overview

- The ALCP serves as the financial management tool for the arterial component of the RTP
- The program is guided by the ALCP Policies and Procedures
  - Approved by Regional Council on June 24, 2015

# Street Committee Role

- The ALCP Policies and Procedures require that all requests to change original ALCP project scope or a substitute a project in the ALCP must meet be presented to the MAG Street Committee for a technical review and recommendation

# ALCP Project Change Process

- Project change summary is included with each request
  - Summarizes current and planned features
  - Provides ALCP project budgets
  - Details cost estimates
- Changes also require evaluation with the ALCP Project Change Tool
  - Evaluates projects based on nine criteria

# Technical Review

- Agencies will present on the following:
  - Overview of the proposed project
  - Overview of the existing project
  - Explanation of why the original project was deemed not feasible
  - Detail on how the change would relieve congestion and improve mobility
  - Results of the Project Change Tool analysis
