

2017 Arizona Highway Safety Improvement Program (HSIP) Call for Projects

MAG Streets Committee Meeting
March 14, 2017

Arizona Strategic Highway Safety Plan

Vision:

Toward Zero Deaths

Reducing Crashes for a Safer Arizona

Goal:

Reduce fatalities and the occurrence and severity of serious injuries on all public roadways in Arizona.

Objective:

Reduce the total number of fatalities and serious injuries in Arizona by **three to seven percent** during the next five years from the **2013 base year**.

Current Trends – Year-to-date

FARS Data – January 2017

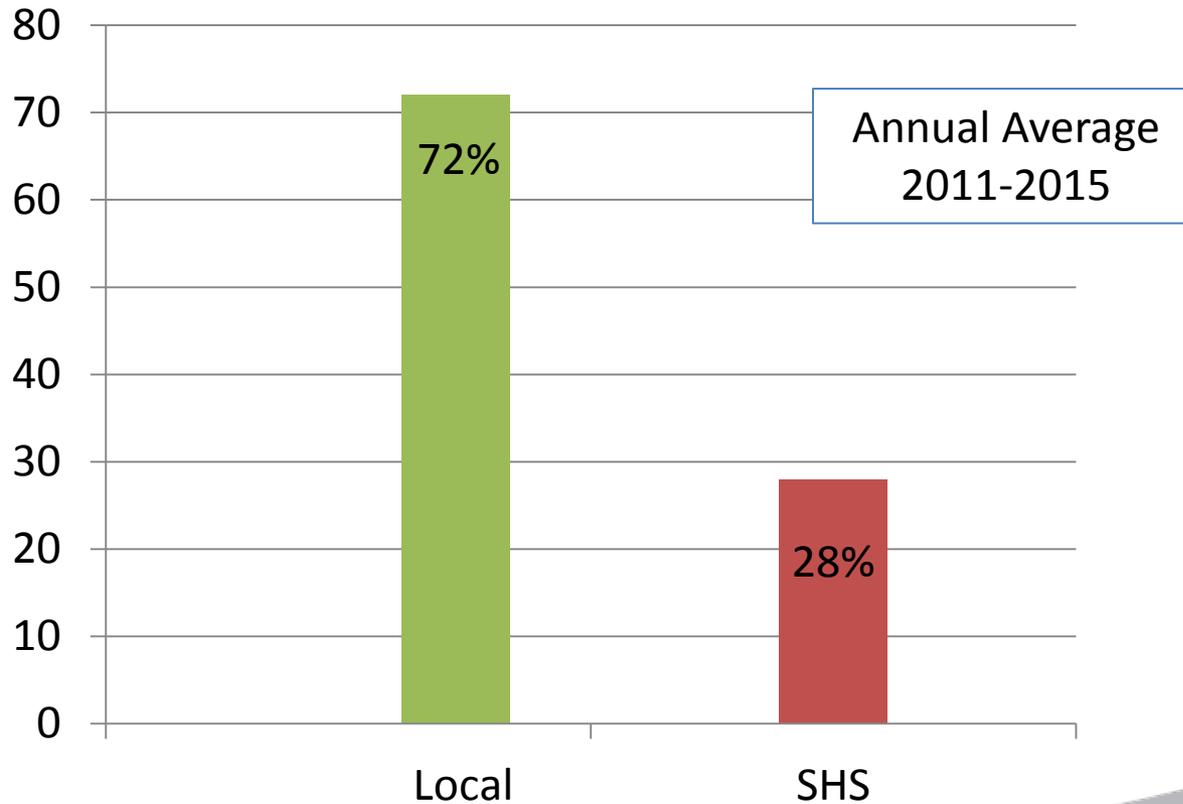

958 fatalities in 2016 (Preliminary)

7% Increase over 2015

4317 serious injuries in 2016 (Preliminary)

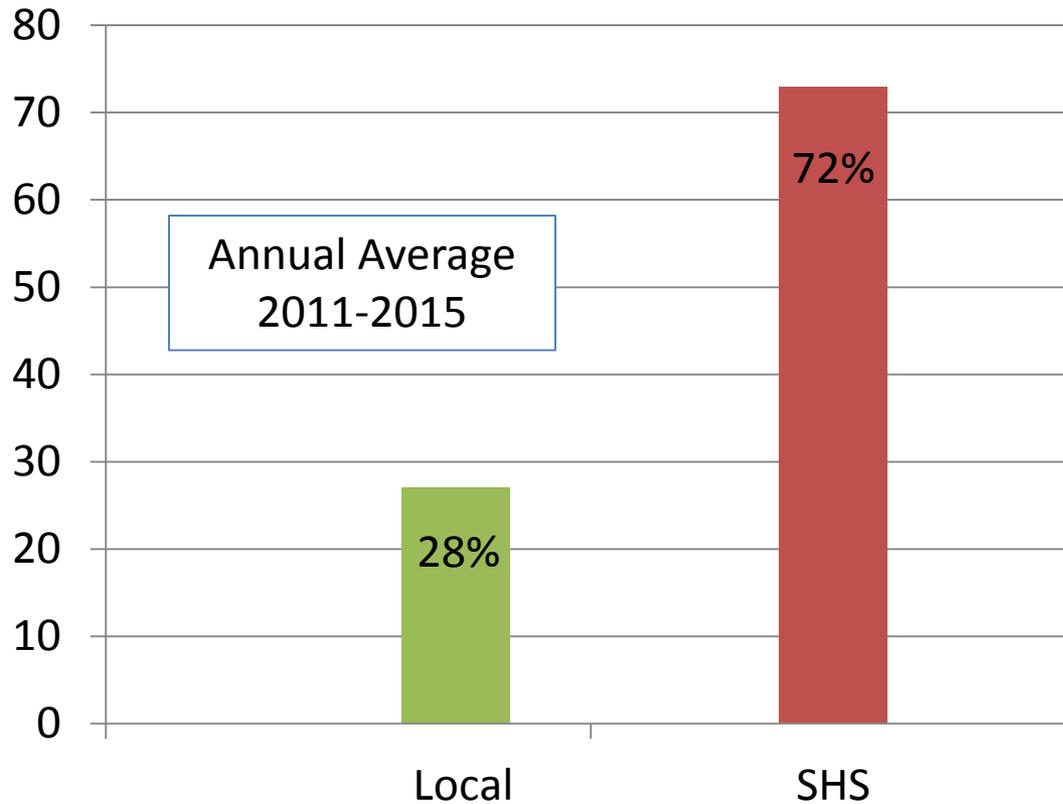

5% Increase over 2015

Fatal and Serious Injury Crashes State Highway System vs. Local

HSIP Funding

State Highway System vs. Local
