

Welcome to the MAG SHRP2 Webinar

- For audio, dial 602-744-5840 and enter meeting ID 74772#
- We look forward to your input on this webinar
- Please be sure your phone is on mute (and not hold) This will ensure we will not have noise distractions on the webinar (such as beeps, other conversations, etc.)
 - *A phone can be muted on the phone or through Adobe Connect*
 - *Press *6 to mute and #6 to unmute your phone through the audio conferencing system*
- Please identify yourself each time before speaking throughout the whole meeting
- Please let us know if you have any questions or comments by using the chat box or by “raising your hand”

Expediting Planning and Environmental Review of Key Global Transportation Projects in the Intermountain West Region

MAY 2015 UPDATE

SHRP2

STRATEGIC HIGHWAY
RESEARCH PROGRAM

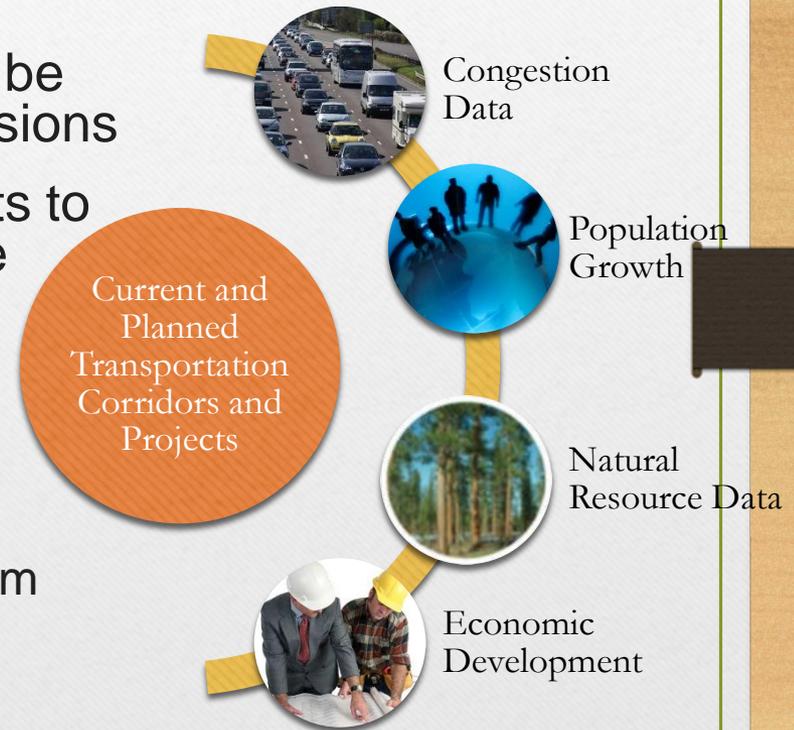

Today's Webinar

- Brief Update on Project Status
- August 27 & 28: SHRP2 Technical Meeting
- Today's Presentation- RTC of Southern Nevada
 - Interactive Mapping for Planners—Examples for TIP Projects –Presenter: Beth Xie
 - HERE Data On Dash Board For Performance Measures – Presenter: Gang Xie

GIS Common Operating Vision/Platform

- Provide decision makers with better situational awareness of the region to be able to make more fully informed decisions
- Build upon existing collaborative efforts to best leverage resources and eliminate redundancies
- Work collaboratively to:
 - Assess available GIS data resources through survey
 - Develop a common GIS vision/platform
 - Collaborate on data conflicts, data standards and gaps
 - Develop best methods for sharing data

Thank you for:

- Your input through the GIS survey
- Providing the needed GIS data for this project
- Presenting your GIS Tools
 - October 31: ADOT and UDOT
 - November 21: Spokane RTC and Western Governors' Association (WGA)
 - December 12: DRCOG & MAG
 - January 9: Pikes Peak Area and Western Regional Partnership
 - January 29: MRCOG

WESTERN
GOVERNORS'
ASSOCIATION

Pikes Peak Area
Council of Governments
Communities Working Together
