

December 9, 2013

Mr. Scott Omer  
Multimodal Planning Division Director  
Assistant Director of the  
Arizona Department of Transportation  
206 South 17th Avenue, MD 310B  
Phoenix, Arizona 85007

Dear Mr. Omer:

The Maricopa Association of Governments' (MAG) Fiscal Year (FY) 2011-2015 Transportation Improvement Program (TIP), approved by the MAG Regional Council on July 28, 2010, requires amendments and administrative project modifications that were approved by the MAG Regional Council on December 4, 2013. Additionally, to close out the Statewide Transportation Acceleration Needs (STAN) Fund- MAG, based on actual current account balance, an administrative adjustment is also included. As the Governor's designee, the Arizona Department of Transportation (ADOT), Multimodal Planning Division is responsible for approval of TIPs and TIP amendments in the State of Arizona. MAG requests your approval of the amendment and modification of the TIP, which is necessary to ensure the continuation of the projects involved. In addition to approval of the MAG TIP amendment and modification, we also request that Arizona Department of Transportation process the necessary amendment to the relevant STIP as soon as possible to meet the current federal fiscal year requirements.

The approved listings and administrative adjustment for the modification to the FY 2011-2015 MAG TIP and the amendment to the Statewide Transportation Improvement Program (STIP) are included in the attached tables. This will be the thirty-second amendment request to the FY 2011-2015 TIP. All of the above mentioned projects are regarded as either exempt for air quality purposes or are regarded as minor project revisions that do not require conformity determinations. The conformity consultation process has concluded and the report will follow.

Your support and the assistance of your staff in ensuring the timely progression of these projects are appreciated. We look forward to a continuing close relationship with the State in meeting the transportation needs of our region. Please contact Teri Kennedy or me if you need any clarification regarding these amendments.

Sincerely,

Dennis Smith  
Executive Director
