Mr. Scott Omer
Multimodal Planning Division Director
Assistant Director of the
Arizona Department of Transportation
206 South 17th Avenue, MD 310B
Phoenix, Arizona 85007

Scott
Dear ~~Mr. Omer~~:

The Maricopa Association of Governments' (MAG) Fiscal Year (FY) 2014-2018 Transportation Improvement Program (TIP) was approved by the MAG Regional Council on January 29, 2014 and requires an administrative change. As the Governor's designee, the Arizona Department of Transportation (ADOT), Multimodal Planning Division is responsible for approval of TIPs and TIP amendments in the State of Arizona. MAG requests your approval of the administrative amendment and modification of the TIP, which is necessary to ensure the continuation of the involved projects. In addition to approval of the MAG TIP amendment, we also request that Arizona Department of Transportation process the necessary amendment to the relevant STIP as soon as possible to meet the current federal fiscal year requirements.

The administrative modification to the FY 2014-2018 MAG TIP and amendment to the Statewide Transportation Improvement Program (STIP) have been included in the attached table. This will be the second administrative modification to the FY 2014-2018 TIP. Administrative modifications as outlined in the MAG Programming Guidelines do not require Regional Council action nor do they require an air quality conformity determination.

Your support and the assistance of your staff in ensuring the timely progression of these projects are appreciated. We look forward to a continuing close relationship with the State in meeting the transportation needs of our region. Please contact Teri Kennedy or me if you need any clarification regarding these amendments.

Sincerely,

Dennis Smith
Executive Director
