A LITTLE HELP

with aging in community

formerly Washington Park Cares

Mission

- ▶ Connecting neighbors across ages to enhance lives and strengthen our communities

Vision

- ▶ Neighbors connected across generations engaged in strong communities

Approach

Intergenerational Model

Meaningfully connecting neighbors of all ages to thrive in community.

Growth Model

Growing organically through neighborhood circles and forming branches with strategic partnerships to have a more far-reaching geographical impact in surrounding communities.

Purposeful Impact

- ▶ Combat isolation
- ▶ Help seniors thrive in their homes independently
- ▶ Enrich lives through social opportunities and sharing wisdom across generations
