2003 ADVANCE MAG Human Services Committees July 17th Luncheon

Each year, the MAG Human Services Coordinating and Technical Committees come together in a retreat-style meeting. The Advance is intended to highlight the state of current and emerging human services issues in the region, to celebrate accomplishments, and to discuss committee goals for the coming year. The agenda will include a presentation on socioeconomic indicators, updates on SSBG funded services, and an update on several creative projects we are terming "incubator for the future." Please join us and provide us with your input.
