

October 1, 2008

TO: Members of the Transportation Review Committee

FROM: Eileen O. Yazzie, Transportation Programming Manager

SUBJECT: APPLICATIONS SUBMITTED FOR PM-10 CERTIFIED STREET SWEEPERS AND PM-10 PAVE UNPAVED ROAD PROJECTS

The due date for PM-10 Certified Street Sweepers Applications and Paving Unpaved Road Project Applications was last Friday Sept 19, 2008. There were a total of fifty one eligible, on-time, and complete applications submitted. Fifteen are for PM-10 Certified Street Sweepers in Federal Fiscal Year (FFY) 2009, twenty five are for PM-10 Paving Unpaved Road Projects in FFY 2011, and eleven are for PM-10 Paving Unpaved Road Projects in FFY 2012.

The applications submitted for PM-10 Certified Street Sweepers totaled to \$2,694,755 and there is \$1,210,000 available in FFY 2009 for funding. The applications submitted for PM-10 Paving Unpaved Road Projects in FFY 2011 totaled to \$16,218,464 and there is \$3,658,362 available in FFY 2011 for funding. And the applications submitted for PM-10 Paving Unpaved Road Projects in FFY 2012 totaled to \$9,580,513 and there is \$5,004,000 available in FFY 2012 for funding.

The application review process will begin in October 2008 at the Street Committee, and continue through to the Air Quality Technical Advisory committee in December for review and ranking. The Transportation Review Committee will recommend project selection for these applications in January 2009. Please see attachment for further detail.
