Mr. John Halikowski, Interim Director
Arizona Department of Transportation
206 South 17th Avenue
Phoenix, Arizona 85007

Dear ^{John}Mr. Halikowski:

On April 24, 2009, a letter and table were transmitted from the Maricopa Association of Governments (MAG) to the Arizona Department of Transportation regarding amendments and administrative modifications to the 2008-2012 MAG Transportation Improvement Program (TIP), which were approved by the MAG Regional Council on April 22, 2009. Recently, inadvertent clerical errors were discovered in the table that explained the details of the project changes. The project total cost information for DOT12-840, GBD09-802, GLN13-903, PEO100-07AC1, PHX07-741, and PHX07-740 was incorrectly reported as it did not calculate all project costs. The project federal cost - ARRA column and regional fund column for four Glendale projects (GLN10-804T, GLN11-809T, GLN11-808T, and GLN12-812T) were inadvertently reversed, and project SCT09-703 had the incorrect type of federal funding listed. Please see the attached table that highlights the corrected information.

Please contact me or Eileen Yazzie at the MAG office if you need any clarification regarding this issue.

Sincerely,

Dennis Smith
Executive Director
