Mr. John Halikowski, Director
Arizona Department of Transportation
206 South 17th Avenue
Phoenix, Arizona 85007

Sohn
Dear Mr. Halikowski:

On July 25, 2007, the MAG Regional Council approved the FY 2008-2012 MAG Transportation Improvement Program (TIP). On December 9, 2009, the MAG Regional Council approved an amendment and an administrative modification to the FY 2008-2012 TIP. This amendment and administrative modification includes highway projects and transit projects programmed with ARRA funds in the MAG region. Details of these project changes are shown in the attached table. As the Governor's designee for approval of TIPs and TIP amendments, we request your expeditious approval of the amendment and modification of the TIP, which are necessary to ensure the continuation of the projects involved. In addition to approval of the TIP amendment and modification, we also request that ADOT process the necessary amendment to the relevant Statewide Transportation Improvement Program (STIP) as soon as possible.

There was a new finding of conformity for some of the projects included in this amendment and administrative modification to the FY 2008-2012 TIP; this is noted in the far right column of the attached table. The new finding of conformity for the FY 2008-2012 TIP concluded on December 9, 2009 with no specific comments regarding the projects being received. The remaining projects in the attached table are regarded as either exempt for air quality purposes or are regarded as minor project revisions that do not require conformity determinations. The conformity consultation process on these projects concluded on December 9, 2009 with no specific comments regarding the projects being received.

Your support and the assistance of your staff in ensuring the timely progression of these projects are much appreciated. We look forward to a continuing close relationship with the State in meeting the transportation needs of our region. Please contact me or Eileen Yazzie at the MAG office if you need any clarification regarding these amendments.

Sincerely,

Dennis Smith
Executive Director
